Landscape Construction Technician

revi DESIGN, LLC., is looking for experienced landscape construction technicians to work with us to take our company to the next level.

Duties include general labor to prepare for and install hardscapes and softscapes to our high standards, including but not limited to:

- Properly prepare soil, dig and install plants, seed and sod.
- Prepare site and install brick and boulder retaining walls, walks and patios.
- Assist with installation of decks, pergolas and other outdoor structures as needed (building experience not required but a plus).

Skills required:

- Ability to physically perform all tasks efficiently and safely.

Physical Skills:

- Repeated heavy lifting in excess of 60lbs.
- Repeated stooping, climbing, bending and reaching.

Qualifications:

- Minimum one year in landscape or construction industry.
- Good verbal communication skills.
- Valid driver's license.
- Minimum High School diploma or GED.
